

Poetic Aesthetic Final Critique

Student Name:

Class Period:

Date:

Name of Student Being Critiqued:

Based on the rubric criteria, check which box best applies to the artist's final print:

	Excellent	Good	Average	Needs Improvement
The design elements chosen for his/her piece resonate well with the viewer, and the overall mood of the poem is clearly executed in the composition.				
This print stylistically and contextually relates to the initial poem the student chose to represent.				
The artist focused on craftsmanship of the final product.				
The artwork is neat, complete, and the idea behind the print was well thought out.				

Additional Feedback:

1. The design elements and artistic choices made fit/don't fit with the poem chosen because...

2. Your idea could have been executed more effectively if you...

3. One good thing about your idea is...

4. More focus needs to be put on these areas regarding craftsmanship...

5. Two things I appreciate about the final print are...
